Microscope for Microbiology dept – quotations called for – reg.  
Ref: Letter Received from Prof. of Microbiology, Government Medical  
College, Srikakulam.

\*\*\*

Sealed quotations are invited for the purchase of one Fluorescent Microscope for the department of Microbiology, Govt. Medical College Srikakulam. It should have the standard basic & minimum specifications to cater to the needs of the dept. of Microbiology for MBBS & PG teaching and testing specimens from the attached Govt. General Hospital.

#### Fluorescence Microscope specifications

Standard Optical System with all critical movements  
Built-in LED illumination system (specify no of hours life time) with battery back up  
Co-axial coarse & fine controls system (mention the range)  
Revolving Nosepiece  
Adjustable Trinocular Observation Tube with 360 Deg rotation inclination and locking mechanism  
Standard eye pieces  
Filters: Bright field, dark field, 3 channel fluorescence B, G, R & UV phase contrast, Penta Head, and Digital imaging head (Optionally)  
Power source: AC with DC Adaptor  
3 channel fluorescence attachment  
Camera with at least 2 MP resolution and software  
CE Certification, ISO Certification: ISO 9001, IEC Certification

Sealed quotations, with “Fluorescent Microscope” written on the envelope should reach the office of the Principal, before 7.4.2025 4pm. The decision of the committee will be final in selecting the quotation. Technical adequacy & track record will be considered by the technical team and not just only financial consideration. The payment will be made soon after successful installation and work satisfactory certificate of the equipment.
